# CHRISTMAS ELF ROLL AND DOT NUMBER GAMES

## INSTRUCTIONS FOR PLAY

### You will need:

- A copy of your choice of Elf Roll and Dot Number printable game page for each player
- Dot markers/bingo markers
- 1-2 dice

### How to play: Solo play

Play will vary according to which version of the game being played.

For all versions, begin by rolling the dice (1 or 2 depending upon which game you are playing).

For Roll and Dot the Number, use a dot marker to mark the number rolled.

For Roll and Dot Double, use the dot marker to mark double the number rolled.

For Roll and Dot Addition, roll two dice and add together the numbers rolled. Mark the number rolled.

### How to play: Pairs

Each player will need a copy of the game page.

Players take turns rolling the dice and marking the number rolled (its double or the sum of the two numbers rolled).

In the event a player does not have the number rolled on their game page, they forfeit that turn and play passes to their partner. The first player to cover all of the numbers on their game page is the winner.

### How to play: Speed round

Each player will need a copy of the game page and an individual set of dice.

Players race to roll their set of dice and mark the numbers rolled as quickly as they can.

The first player to cover all of the numbers on their game page is the winner.

### Tip:

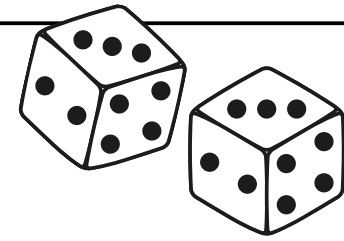

If dot or bingo markers are unavailable, numbers can be crossed off with a marker pen. Alternatively, place the printed sheet inside a plastic folder and cross numbers off with a whiteboard marker - this way the game can be played again.
