# CHRISTMAS EMOTIONS SPINNERS

You will need:

- 4 printable spinner templates printed onto cardstock
- Small, sharp scissors
- 2 paper fasteners/ brads

Directions:

1. Cut out all four spinner wheels.
2. Punch holes through the middle of each wheel using scissors.  
Children will need help with this step.
3. Push the paper fastener through the holes, first through the top layer of the spinner (showing the shape of each character's head), and then through the second layer (showing the face and emotions).
4. Spread the paper fastener to secure it at the back of the wheel.
5. Turn the wheel several times to make it spin smoothly.
6. Talk about the different emotions displayed on both the Santa Claus & Miss Gingerbread spinners.
