General Printing Instructions

Be sure to select 'Fit to printable area' (or similar) to ensure the page fits with your printer type and local paper size. Please also check your paper orientation setting.

We suggest printing re-usable game boards and game pieces onto matte photo paper or card stock and laminating before use.

If you are experiencing difficulties with the document printing, please ensure you are opening the PDF in Adobe Acrobat and not printing from a web browser or other Preview program. If you are using an older version of Acrobat, you might need to update to a newer version of the software. If the problem persists, please check the settings within Acrobat as you print by selecting File -> Print -> Advanced -> Print as Image.
