General Printing Instructions

Be sure to select 'Fit to printable area' (or similar) to ensure the page fits with your printer type and local paper size. Please also check your paper orientation setting.

We suggest printing re-usable game boards and game pieces onto matte photo paper or card stock and laminating before use.

If you are experiencing difficulties with the document printing, please ensure you are opening the PDF in Adobe Acrobat and not printing from a web browser or other Preview program. If you are using an older version of Acrobat, you might need to update to a newer version of the software. If the problem persists, please check the settings within Acrobat as you print by selecting File -> Print -> Advanced -> Print as Image.

ST PATRICK'S DAY JOKES FORTUNE TELLER

TO MAKE YOUR FORTUNE TELLER:

1. Cut out the fortune teller square. Turn the square over to the non-printed side.
2. Fold one corner over to meet the opposite corner, fold on the diagonal and then unfold.
3. Repeat with the remaining corners. Lay the creased paper flat.
3. Fold in each of the four corners so that their points meet in the middle.
4. Flip the fortune teller over.
5. Again, fold in each of the four corners so that their points meet in the middle.
6. Flip the fortune teller over again.
7. Fold the fortune teller in half (the numbered flaps should be on the inside).
8. Insert your thumbs and pointer fingers, one into each of the four folded pockets on the outside of the fortune teller. Work your fingers into the four corners and, using the creases, push the corners together to form four points in the centre of the fortune teller. Now you are ready to play.
